# JD CLIENT JOURNEY™

## FROM FIRST CONVERSATION TO LONG-TERM PARTNERSHIP

**Customized outerwear doesn't begin with a jacket. It begins with understanding your organisation.**

JD & CO BW guides every client through a structured journey—from consultation and customization to approval, production, quality control, delivery and future reorders.

DISCOVER › EXPLORE › CONSULT › CUSTOMIZE › SPECIFY › APPROVE › PRODUCE › QUALITY CHECK › DELIVER › AFTER-SALES › REORDER & PARTNERSHIP

ONE STRUCTURED JOURNEY. ONE ACCOUNTABLE PARTNER.

### WHY A JOURNEY?

Off-the-shelf purchasing is simple:

SELECT › BUY › RECEIVE

Customized manufacturing is different.
It requires understanding, planning, collaboration and precision at every step.

### AT JD & CO BW, WE FOLLOW A JOURNEY THAT ENSURES:

- We understand your needs before we design
- You approve before we produce
- We manufacture to the approved standard
- We deliver what we promised
- We remain your partner beyond delivery

> **At JD & CO BW, customization is not an extra service added to the product. It is the journey through which the product is created.**

# THE JD DIFFERENCE.

Organisations have a choice.
**You can buy off the shelf.**
**Or you can build an identity.**

At JD & CO BW, we combine deep manufacturing expertise, premium materials and a proven system to deliver outerwear that performs, protects and represents — exactly the way your organisation intends.

### CUSTOMIZATION
**BUILT AROUND YOU.**

Your logo. Your colours. Your identity. We bring it to life with precision and creativity.

### INDUSTRY IDENTITY
**BUILT FOR YOUR WORLD.**

Every industry has its own challenges. We design outerwear that fits your environment and culture.

### LOCAL MANUFACTURING
**BUILT HERE. FOR HERE.**

Proudly designed and manufactured in Botswana. Closer partnership. Greater control. Better value.

### PROFESSIONAL QUALITY
**BUILT TO PERFORM.**

Premium materials.
Skilled craftsmanship.
Rigorously inspected.
Reliably delivered.

**WE DON'T SIMPLY SUPPLY JACKETS.**
**WE BUILD A PROFESSIONAL IDENTITY AROUND THEM.**

# A PARTNER THAT UNDERSTANDS YOU.

We don't start with a product.
We start with your purpose,
your people and your standards.

That's how we create outerwear that your team is proud to wear and your organisation is proud to stand behind.

## THE JD DIFFERENCE IN ACTION
